## MONDAY, MARCH 7, IS ELECTION DAY

### Coleman Grands Take Two Straight From Fernie Rangers

The Coleman Grands defeated the Fernie Rangers in two straight games in their best-of-three Alberta, B.C. Intermediate League semi-finals.

On Saturday, February 19, the Grands squeezed out the Rangers 7-5 in an over-time, hard-fought game. It was a toss-up all the way, with both clubs struggling to get the lead. At the end of the first period the score stood at 2-2, 4-4, at the end of the second and a deadlocked 5-5 at the end of regulation time.

At the 40 second mark of the overtime session, Tymchyna took a pass from Cerney behind the Ranger goal to put Coleman ahead. Five minutes later, McDonald took a pass from Kryczka at centre ice and skated in on the Fernie goal to add the insurance worker.

In the game played in Fernie Saturday, February 26, Belter opened the scoring for Coleman in only 20 seconds of the first period on a pass from Kryczka. The Ranger's Marasco tied the score at the 19.03 mark on a pass from J. Bossio. Belter put the Coleman squad ahead again at the 10.04 mark of the second period only to have Oleksko tie it up again a minute later at 11.08. At the 17.15 mark Biegan scored from Kryczka but this was matched by Ashmore of Fernie from Cavaretta at 19.57.

### Suggests Plan To Ease Plight Of Pass Miners

(Courtesy Lethbridge Herald)

EDMONTON — A national energy control board and a provincial reforestation program, as methods of alleviating the plight of coal miners in the Crow's Nest Pass area, were suggested in the Alberta Legislature Wednesday by William Kovach (S.C., Pincher Creek-Crows Nest).

During the debate on the speech from the throne, Mr. Kovach said an energy control board should be set up to help all producers of energy materials to receive their share of the money spent for heat and energy.

Despite pressure on the federal government there still are millions of tons of coal imported from the United States, he said.

"If it's cheaper to use diesel fuel to freight goods, why doesn't the coal industry feel the benefits by receiving lower freight rates on its shipments to the east?" he asked.

**COAL FOR CANADIANS**  
Mr. Kovach said he believes the coal industry would be healthier today if Canadian coal was used to serve Canadian consumers first.

There was a definite need for re-forestation work in his constituency, and this would give employment to jobless miners.

He said there is plenty of timber for lumbering but applications "for unknown reasons" were rejected.

There were many partly-abandoned logging roads which should be repaired for fire protection and to give more employment.

The provincial coal miners' rehabilitation program helped many unemployed miners last year, but he said his district still is not satisfied.

Young miners were leaving the industry for other jobs. He forecast difficulties finding experienced miners if a national emergency should ever require large quantities of coal.

**Coleman Grands Defeat Natal**

Coleman Grands Superior to Natal Coal Kings in a rough game played here Saturday, February 19th. Final score 9-1 for the Coleman club. The Coleman club opened the scoring in the first period.

**1st Period Summary —**  
Coleman: Gettman (Tomlins) 8.58, Kryczka (Gettman) 18.30. Penalties: Coleman: Gettman, Filewisch; Natal: Fabro.

**2nd Period —**  
Coleman: Tymchyna, Tarcon, Gettman 50, Tomlins, Cerney, 4.10; Lee, Gettman, 13.13; Lee, Gettman, 13.45.

**Natal:** Fabro, McFarlane, Turk, 9.10.

**Penalties —** Coleman: Wilkie, Kemp, Tarcon, Natal: Mitchell, Watson, Fabro, Thewlis.

**3rd Period —**  
Coleman: Lee, Tarcon; Zembiak, Filewisch, 18.00; Belter, Tarcon, 18.30.

Coleman Penalties: Zembiak, Wilkie (5 min.); Tymchyna (5 min.) Gettman.

**Natal Penalties:** Pillio, Fabro, Thewlis (5 min.); Joyce, Thewlis (2 min.).

This game was not as brilliant as the score would lead to believe, but very poor goal tending by the Natal netminder gave the Coleman Grands the chance to sink home goals galore.

The Grands turned in a good sales effort, and it must be noted that Kemp in the Coleman nets is a very hard man to beat, Lee brought the crowd to its feet, with his solo rush from end to end sinking home a very neat goal.

### Are You Going To Vots?

Election Day here in Coleman is March 7, this is the day that all good citizens get out and cast their ballot for the candidate of their choice. Your ballot is very important, one of the fundamental rights of a Democratic country, and the only way you can retain these rights is to vote the way you feel. Citizens of many countries lost these rights by not paying attention to their duties as a citizen should. You say it can't happen here. Well it can if only a few desire to safeguard their rights in a election. Don't be one of those who say: "Oh well my vote won't make any difference", "Let Joe Do It". Let to many Joe's do it, and you won't have any rights left to stop Joe doing it. So get out on vote on March 7, it only takes a few minutes of your time, and only happens once a year. See you all at the Polls, come on Coleman, even bring the Ghosts. But Vote!!

### CIVIC AFFAIRS Elections

Who may be nominated? How many electors must sign a nomination form? Who is an elector? Who may vote for the various elections? These, and many more questions are asked each year when it is time for elections. In order to bring to our residents a fuller understanding of our Municipal Government, I shall explain some of the things that make up this form of government, and how the residents themselves, through their appointed representatives, are this government. As it would take some time to cover the various topics, I plan to do it in a series.

The Provincial Government, which is responsible for the control and guidance of Municipalities, grants a charter for incorporation and sets out the powers of the Municipality in the Town and Village Act. As an election is the first act on the formation of a municipality, I shall deal with this now.

**Returning Officer** — A returning officer is appointed to conduct the election in accordance with the provisions of the Town and Village Act. He receives nominations, attends at the polling booths during the election, and counts the ballots.

**Nomination** — For municipal office, any person who is twenty-one, a resident of the town, a British subject, can read and write in the English language, and is assessed on the assessment roll for property over \$100, may be nominated by two or more electors. For School Trustees, any person who is resident of the school district and an elector of that district, may be nominated by two or more electors.

**Electors (Voters)** — In a municipal election, any owner or purchaser (not both) of land, owner of a business, Also any person who is twenty-one, a British subject, and has lived continuously in the Town for the period commencing six months previous to September 30th last. In an election for school trustees, the qualifications are the same as above except that it includes residents outside the Town and in the school district.

**How to vote** — When voting, an X must be put at the far right side of the ballot paper opposite the name of the person voted for. If there are three candidates and two are to be elected, an X may be put after one or two names, but not the three. If there are five candidates, an X may be put after names of one, two or three of them if three are to be elected.

You will note that you may have a vote even though you do not own property. If you are in doubt, enquire at the Town Office. Since the right to vote is something precious to us, it is important that we use this right in order that we retain it. It is not sufficient to leave the voting to someone else or decide that we are satisfied with the candidates and do not care which one is elected. We must vote on our own choice.

The elections are conducted on the first Monday in March of each year. This year the elections for Town Council and the School Board will be held on Monday, March 7th in the Council Cham-

### Coleman High School Students Assist Red Cross

The month of March is known as Red Cross month and is the time when supporters are reminded of the appeal for funds.

In former years the local Order of Elks have undertaken the commendable task of canvassing topping Coleman's quota of \$1,000.

This year the Coleman High School students with the guidance of the local Red Cross Campaign executive have volunteered to carry out this worthy project. This is a new experience for the students but the Campaign Committee feels confident that they will do a good job. It is needless to remind the Coleman citizens what a worthwhile cause they are supporting.

The money you give to the Red Cross will help to finance such services as the care of the crippled children through the Alberta Red Cross Crippled Children's Hospital, the Blood Transfusion Service, the disaster services, comforts for veterans in D.V.A. Hospitals and T.B. sanatoriums, the health and international services for children, the swimming and water safety programs, the Women's Work Committee that sews and knits unceasingly for unfortunate throughout the world.

We know you will not disappoint these young canvassers when they call.

Should the present trend of failing to vote continue we may one day find the right to vote taken from us. The governments are today assuming more power to do things without asking the people and it is up to each and every one of us to vote at every election for the candidate of our choice, and to see that the elected candidate protects the interests of his electors.

Blairmore Credit  
Union Holds 11th  
Annual Meeting

An unusually large and interesting group of members and friends attended the eleventh annual meeting held by the Blairmore Savings and Credit Union No. 149 which was held in the Elk's Hall in Blairmore on Friday, February 18th.

Commencing at 7.30 p.m. the meeting was presided over by Mr. Archie Hobson, President of the Credit Union with Mr. N. F. Wm. Picard acting as Secretary.

The meeting opened with the showing of two most interesting films on wild life and hunting in eastern Canada. The films were kindly provided by the National Film Council and shown by Mr. E. Goulding.

In delivering the report on behalf of the President and Directors, Mr. Hobson paid tribute to the enthusiasm displayed by all members in once again recording a year of definite progress for the local organization. He made reference to the vital function being performed by the Credit Union in Blairmore by means of which the combined assets of the total membership serve the vital needs of the individual at low rates of interest. Mr. Hobson disclosed with pride the fact that Mr. Dilley, Government Auditor for Credit Unions, had expressed great satisfaction at the manner in which the business of the Blairmore Credit Union had been conducted during 1954 and the manner in which all records had been kept. The auditor had awarded an average of 95% on the basis of his findings and highly commended the Credit Union Treasurer and Business Manager Mr. John Yanota, Jr. whose work was of such an exemplary character.

Mr. Yanota read the Treasurer's report which revealed that, in 1954 \$37,896.00 was received in shares, \$301.00 in deposits and \$93,738.00 was repaid on loans. A total of \$5,907.00 was received in interest and income from investments amounted to \$1,584.00. Total assets of the Blairmore Credit Union at the end of 1954 stood at \$146,485.2 as compared with \$124,570.72 at the close of 1953.

In delivering the report of the Supervisory Committee, Mr. John Lloyd stated that the Supervisory Committee classes 1954 as one of the most successful years in the history of this Blairmore Credit Union.

In his report from the Credit Committee, Mr. Alrik Tiberg stated that, since the inception of the Blairmore Credit Union, it has loaned out a grand total of \$527,000.00 in 1052 loans. The amount loaned out in 1954 was \$82,175.00. Mr. Tiberg referred to the fact that the Blairmore Credit Union is one of the largest in the Province and according to the Government Auditors, one of the most efficiently operated.

A review of the favourable investment position of the Credit Union was presented by Mr. Howard Dancy.

Dividend payable on the 1954 business year were set at 2% on deposits, 2½% on shares, 7% on interest paid on loans over \$500 and 14% on interest paid on loans under \$500. The meeting suggested

and received approval of payment of a well deserved honorarium to the Treasurer, Mr. Yanota.

The regular election of officers for the year 1955 resulted in the following being returned to office:

Board of Directors: Mr. A. Hobson, Mr. F. Schilling, Mr. J. Chabillon, Mr. J. Urwin.

Credit Committee: Mr. A. Tiberg.

Supervisory Committee: Mr. A. Evans, Mr. Ron. Johnson.

A vote of thanks was expressed to Lord's Machinery Co. for their kindness in donating the use of their office for regular weekly collections, to Rev. Father Anderson for the use of the Church library for Directors' meetings as well as for the use of the church mimeograph machine for printing of

the "Eye Opener" and to the Pass Herald for their fine co-operation in various ways throughout the year.

The meeting adjourned at 9.30 p.m. following which refreshments were served to all present by the officers of the Credit Union.

A hamper of groceries was drawn for and was won by Mr. J. Urwin.

That'll be a million dollars please

Imperial's shopping bill is more than \$1 million a week... that's what we spend in Canada just for everyday needs. It doesn't include crude oil, which alone runs to \$4 1/2 million a week! Nor does it include wages, salaries or taxes. What do we buy? Everything... from soup (to feed geological parties) ...to nuts (to fit a few million bolts) derricks dynamite and diesels and even catalytic cracking units (cat crackers they're called) to make those better gasolines. We buy things from 6,000 Canadian firms from coast to coast. Shopping on this scale creates a lot of work for a lot of people... right across Canada.

## Advertising...

Modern advertising is a necessity to hold and build business. Be proud of your business, of the goods you have to sell, of the services you have to offer in your particular line. Show the progressive spirit and the desire to serve by advertising. Do not hide your light under a bushel — proclaim far and wide who you are and what you have to sell and where your place of business is, for public memory is short and advertising is a powerful aid to all types of businesses. Moreover, people as a general rule shop where they are invited.

## Coleman Midgets Deefat Lethbridge

Coleman Midgets defeated the Lethbridge Midgets in overtime here in the Coleman Arena on Sunday, February 20.  
More excitement was in store from the refereeing end than from the actual play.

In the third period the Lethbridge referee was forced to take shelter in the players box. The ire of fans had reached a climax over the poor decisions rendered by this referee. The goalkeeping of both clubs was excellent.

Coleman goal scorers:  
Churlia from Kerr, Kerr from Taron, Chernocky from Taron.  
Lethbridge scorers: Lawrence, unassisted; Seaman, unassisted; Seaman from Harvey.  
Overtime, Churlia from Gentile.  
Penalties: 19 were handed out, including two misconducts.

## Coleman Pee Wees Sidelined

The Bellevue Pee Wees sidelined Coleman by playing to a 4-4 tie, but winning on the total goal series by a 6 point margin, as they had defeated Coleman in Bellevue 9-3. This was a much cleaner game than has been witnessed in other games played in this arena.

Coleman Summary for the game:  
Goals — Lant, unassisted; Lant (Meroniuk, Lant unassisted, Meroniuk, unassisted).

Penalties: Hardy, Meroniuk; Nowasad.  
Bellevue — Goals, Cleave, (Smariotta), Mottram (Kryzanski), Mottram, unassisted; Byrne, Youngberg.  
Bellevue penalties — Tourand, Byrne, Smariotta, Byrne, (2) in last period.

It's too bad these fine youngsters are now sidelined, but they have played the game and are a credit to their coach and to the town of Coleman. Give these young chaps your continued support, they deserve it.

## Coleman Juveniles Routed By Lethbridge 18-2

What started out as a possible clou game in the first period, ended in a well-deserved shellacking of the Coleman Juveniles in their first game of a total-goal, 2 game series against Lethbridge.

The first period ended with the Lethbridge squad on top of a 3-1 count. The second period resulted in a complete collapse of the Coleman defenses as Lethbridge tallied for 8 goals to Coleman's singleton.

Realizing they could not possibly win, the Coleman squad stopped playing hockey in the third period and turned to butchering. Even so, the Lethbridge sextette countered for another 8 unanswered goals to finish ahead 18-2.

If this match is any indication of the kind of "sportsmen" we are turning out, then the Sports Association should definitely close the rink to organized hockey.

The Coleman club was thoroughly trounced but if they have not yet learned how to take a defeat gracefully, without resorting to chippy, and downright cowardly tactics, they should be barred from further play. We could think of two or three who should have been locked in the same room with the Lethbridge squad until their ears were thoroughly and neatly pinned back. We hope we never witness a match of this calibre again.

Some of the adult fans who condone this type of carnage, should realize that the players of the opposing team have parents who might happen to care how their children are handled when they visit this "great" Crows Nest Pass of ours.

## Coleman Grands Require Assistance

As you know from previous articles the Grands are in need of new uniforms, equipment and other essentials to operate the fine working team that they are. The fund started has not had very much support to date. This would be a fine project for one of our service clubs to undertake and support. Fan support has not been enough to keep our senior hockey club in a good condition. It's up to Coleman Fans to get behind the club and assist, if we wish to retain this fine sport. The players are giving their best, but are we as sport fans? This is a question only you can answer, if you have any suggestions that may help, please let us know. So come on folks, this team needs your support.

## Weddings

HARDY-OLYNYK

A very pretty wedding was solemnized in St. Ann's Catholic Church by Rev. Father F. McGreevey when he joined in marriage Roberta, second daughter of Mr. and Mrs. J. Hardy, and William, youngest son of Mrs. W. Olynk, all of Coleman. The altar was beautifully decorated with red roses.

The bride, given in marriage by her father, was radiant in a ballerina-length gown of nylon net over satin topped with a matching lace jacket with lily-point sleeves trimmed with seed pearls. Her three-quarter length veil of illusion net cascaded from a crown headress of seed pearls. She carried a fan-shaped bouquet of yellow and red roses.

Sister of the bride, Mrs. G. Nestor of Calgary, as matron of honor, wore a ballerina-length frock of blue net over satin, with a matching lace cape and head-dress. Her bouquet was pink and white carnations.

Miss Norma Dugan as bridesmaid wore a gown of ballerina-length pink net over satin with matching lace cape and head-dress. She also carried a bouquet of pink and white carnations.

Little Donna Nestor, niece of the bride, acting as flower girl, wore an ankle-length yellow gown with flower headress. Her bouquet was white carnations centred with a yellow rose.

George Nestor, brother-in-law of the bride, was best man, while Orest Seider ushered the guests.

Miss Jo-Ann Montalbetti presiding at the organ, accompanied Miss Ann Bodisch, who sang "On This Day Oh Beautiful Mother" and "Daddy, Daddy Sing to Mary", during the service.

Following the ceremony at the reception held in the Ukrainian hall, the bride's mother, wearing

a charcoal black frock with red accessories, and the groom's mother wearing a grey suit with pink accessories received with the wedding party. Both wore red rose corsages.

Rev. Father McGreevey proposed the toast to the bride to which the groom ably responded.

Following the reception the couple left for a short trip to Calgary, the bride choosing for the trip a grey suit with red and white accessories. On their return they took up residence in Coleman.

Guests attended from Calgary, Lethbridge and Creston.

The T. Maynard rink came away with fourth prize, while the Roughhead and Trotz rinks did not get into the money, they state that they certainly enjoyed the event.

Curlers participating in Cranbrook were J. Maynard, B. Gates, R. Yeliga and T. Collings.

Roughhead rink: C. Roughhead, A. Roughhead sr., R. Kwasnie and E. Spievak.

Trotz rink: J. Trotz, J. Ewing, R. Kullig and S. Kibillika.

While the men were sweeping Cranbrook's ice the ladies were giving Pernie a sample of ladies' curling power by bringing home fourth prize in two events.

J. Fields, D. Pow, M. Moselle and L. Maynard are to be congratulated for this grand showing.

## ALBERTA HONORS HER PIONEERS

with Senior Citizen Scrolls

For their contribution to Alberta's Fifty Golden Years, all pioneers who were in the Province at the time of its establishment in 1905 or before, will be presented with Senior Citizen Scrolls, upon application. Crests on the delicately engraved border of the scroll will depict history motifs of the province, and the script will identify the recipient as a Senior Citizen. The name will be hand written on each scroll by an artist.

### Who May Apply:

All persons who have been in residence in the province since the year 1905 or prior, may apply for a Senior Citizen Scroll. A short period of absence does not disqualify you.

### How to Apply:

Application must be made for scrolls. Forms will be available soon at Municipal Offices in each district or from the Jubilee Committee. Completed application forms are to be sent to the committee (address below).

### Closing Date for Applications - Aug. 1st, 1955

To enable the Jubilee Committee to prepare and distribute the scrolls, your co-operation is requested. Completed applications must be received by August 1, in order that distribution may begin by August 22.

### Distribution of Scrolls

The majority of scrolls will be mailed from the Jubilee office to the applicant, but communities wishing to be responsible for distribution at special presentation ceremonies, even prior to August 22, are requested to prepare a list of eligible citizens and ensure that application forms are submitted well in advance of the date scrolls are required.

### Senior Citizen's Day

A Senior Citizen's Day has been added to the agenda of official dates for the Jubilee Year. September 10th has been set, though communities throughout the province will be holding special Senior Citizen Scroll presentations to coincide with their own Jubilee activities.

### Honoring Our Pioneers

They who homesteaded in Alberta at the turn of the century, or who pioneered in industry—they, who saw the birth of a great province and contributed to 50 years of progress—it is they who are worthy of a special and personal commendation by the rest of us—their relatives, friends and neighbors. Whatever the date, wherever the presentation of a senior Citizen Scroll—in a home or at a public gathering, join in our Golden Jubilee Celebrations by adding your personal congratulations.
